Lisa Zeeb
Scientific Graphic and Web Designer

Lisa is a graphic/multimedia designer at the University of Minnesota and makes figures for the Materials Research Science and Engineering Center (MRSEC). She has graciously agreed to give a teaching seminar on:

i. Basic design principles
ii. Image formatting
iii. Figure-making in Powerpoint
iv. 3-D images and Blender

This will be an interactive seminar with room for lots of questions from the audience. We look forward to seeing you there!

Snacks and refreshments will be provided.
